

**Gold and Blue Achievement Award**  
**Terms and Conditions**  
**(Please read carefully)**

**The Gold and Blue Achievement Award, which is given to academically-talented, incoming students is offered according to the following provisions:**

- The scholarship is applicable to a maximum of 120 credits or four consecutive years of undergraduate study for incoming freshmen, whichever comes first.\*
- The scholarship is applicable to a maximum of 60 credits or two consecutive years of undergraduate study for incoming transfer students, whichever comes first\*.
- The scholarship is applicable to summer terms and can be used to accelerate the completion of your degree or to make up credit hours or GPA deficiencies.
- This scholarship does not cover health insurance.
- This scholarship is only open to qualified first time in college U.S. citizens, permanent residents and international students. Deferred Action for Childhood Arrivals (DACA) students are not eligible.
- This scholarship will be adjusted if residency status should change from a non-resident status to a resident status.
- This scholarship is non-refundable, therefore refunds are not generated from this award.
- These scholarship funds will only be disbursed towards tuition.
- Additionally, scholarships and financial aid may not exceed the total cost of attendance as determined by the Office of Financial Aid. FIU reserves the right to adjust the scholarship to comply with the above university policy. For a complete summary of your financial aid package, log into MyFIU or contact the Office of Financial Aid at (305) 348-7272.

\*Exceptions may be made for degrees requiring more than 120 credits for graduation

**In order to renew this scholarship annually, you must meet the following terms:**

- I must enroll at FIU beginning in Early Fall or Fall 2016.
- I must successfully complete a minimum of 30 FIU credit hours by the end of each academic year with a minimum of 3.00 FIU cumulative GPA.
- During my enrollment at Florida International University, I will not at any time violate the Student Code of Conduct.
- I must be continuously enrolled at the university (Fall/Spring) in order to have my scholarship renewed for the next academic year. I understand that credits taken at another institution during the time of my enrollment at FIU will not be considered toward my scholarship renewal.

- I understand that if I am participating in program or internship that requires me to not be enrolled at FIU for a semester, I will contact the admissions office to obtain written approval.
