Florida International University
Undergraduate Academic Amnesty/Academic Salvage Request Form
For Formerly Fully Admitted Students

The University has approved two policies, which provide academic renewal to students who previously showed poor academic performance at FIU. Returning students may have their FIU GPA recalculated by applying the Academic AMNESTY or the Academic SALVAGE policies. Please be aware that previous courses taken at the University may not be accepted. All former students requesting amnesty and/or salvage must first reapply for admissions via the online application, and must also submit the paper amnesty/salvage form.
