**FIU CONNECT4SUCCESS PROGRAM**

You are among a select group of students chosen to participate in the FIU Connect4Success Program. As an admit in this program, you attend one of our partner colleges for the general education and major prerequisite coursework needed to complete your Associate in Arts degree. Upon completion of your degree, you are GUARANTEED admission to Florida International University.

\*Admissions to C4S does not guarantee admission to limited access and/or competitive majors, including but not limited to Architecture, Engineering and Nursing.

You have three (3) years to complete your Associate of Arts degree and transition to FIU. Your current FIU application and application fee will remain valid for those three years.

If you chose to withdraw from the program, the guarantees associated with the C4S program will no longer apply and subsequent admissions will be based on general admissions criteria and space availability.
