NEXT STEPS

1 ACCEPT YOUR ADMISSION AND SUBMIT YOUR TUITION DEPOSIT

admissions.fiu.edu

In order to reserve your space, you will need to submit a **\$200 (non-refundable)** tuition deposit. This deposit will be applied to your tuition for your first semester of classes. Your deposit or deposit waiver **MUST** be submitted prior to starting your orientation. Please visit admissions.fiu.edu/admitted for deposit deadlines and for information on how to request a deposit waiver.

2 COMPLETE NEW STUDENT ORIENTATION

All students are required to complete a two-part orientation process. Virtual Orientation is first, and can be accessed through your my.fiu.edu account under "Orientation". This online, self-paced tool highlights university policies, resources and departments, and is available to you throughout your time at FIU. **After completion of the Virtual Orientation, you'll follow the steps below:**

FIRST-YEAR STUDENTS admitted for Early Fall and Fall are required to attend a two-day orientation program (spring first-years will have a one-day program). During orientation, you'll be able to meet with advisors, register for classes, get your FIU OneCard (student ID), tour the campus and learn about the FIU community and resources. During this time, a concurrent orientation session will also be available for families. Visit go.fiu.edu/FYOrientation for instructions on how to sign up and all the details you need to be prepared for your session.

TRANSFER STUDENTS sign up for a half-day on-campus or online orientation to take care of your business, meet with Academic Advisors and register for courses. Further details can be found by visiting go.fiu.edu/TransferOrientation.

FULLY ONLINE STUDENTS After completing your virtual orientation, set up an appointment with your Academic Advisor through your Panther Success Network in my.fiu.edu to create your academic plan. If you have questions, please email your Enrollment Coach at onlineprograms@fiu.edu or call **305-348-3125**; press 2 and then 3.

PANTHER CAMP All new FIU students have the unique opportunity to attend Panther Camp — an off-campus or online extended orientation program — that will allow you to develop relationships with fellow students, faculty and staff; learn more about FIU traditions, resources and involvement opportunities; and much more. Go to go.fiu.edu/PantherCamp.

4 FINALIZE YOUR ADMISSIONS FILE

Your acceptance to FIU is based on the academic information that was available when the Admissions Office reviewed your application. You may have been admitted with courses in progress. Therefore, it is important that you submit official final transcripts showing your final grades and proof of graduation.

- Your official final transcripts should be submitted as soon as they are available but no later than the end of your first semester at FIU. Failure to submit by the deadline will result in an enrollment hold.
- If you took dual enrollment courses, have the college or university send official transcripts to the Office of Admissions. Please contact College Board and ACT to submit your official test results.
- Bring hard copies of dual enrollment transcripts or AP exam scores (if applicable) with you to orientation or your advising appointment for appropriate advising.

5 SUBMIT YOUR IMMUNIZATIONS RECORD

studenthealth.fiu.edu

As a prerequisite to registration, FIU requires all students comply with the following immunization policy regulations from the Florida Board of Governors regarding immunity of Measles, Mumps, Rubella, Hepatitis B, and Meningitis.

Download all immunization forms at go.fiu.edu/immune. All forms must be signed and stamped by a physician (M.D. or D.O.), a nurse practitioner or a registered nurse and can be mailed, faxed or physically submitted to Student Health Services prior to your scheduled orientation date.

HOW TO REGISTER FOR CLASSES

If you are a first-time FIU student, you will register for classes during your orientation session. Once you pay your deposit at my.fiu.edu, you will receive dates and details about orientation via your FIU email.

HOW TO PAY FOR CLASSES

Prior to the payment deadline (visit onestop.fiu.edu for deadline dates), you will need to accept your Financial Aid award at my.fiu.edu. Follow the "Financial Aid – accept/decline awards" link to ensure that your award is posted as "pending financial aid" for a tuition deferment.

If your pending financial aid award (excluding Federal Work Study) does not cover all your tuition and fees, you are responsible for paying the difference. Most financial aid is based on full-time enrollment (12 credits per semester). Check the Academic Calendar at onestop.fiu.edu for payment deadline information. If your pending aid is greater than your tuition and fees, your payment will be deferred until the disbursement of your financial aid award. The Financial Aid Office begins the disbursement of grants and scholarship aid after the add/drop period for each semester.

Tuition may be paid online with a credit card or electronic check/electronic transfer of funds through the "Make a Payment" link found under the "Finances" section of your my.fiu.edu. You can also pay by cash or check at the Student Financials Office in the Student Academic Success Center (SASC), room 101 (MMC) or AC1 140 (BBC). Self-service payment kiosks are available in PC 120, SASC 101, and EVE 124.
