

Next Steps for Newly Admitted Graduate Students

To ensure a smooth transition to FIU, please take time to carefully read and follow the steps outlined in this brochure.

Accessing My.FIU.edu

My.FIU.edu is the university web portal for all FIU students. From My.FIU.edu, you will be able to view your admissions file, enroll in classes, pay for tuition, view your financial aid, etc. If you have never logged into my.fiu.edu, you must first go to [MyAccounts.fiu.edu](https://myaccounts.fiu.edu) to create your permanent password. To log into MyAccounts, please enter your Panther ID number (found on your admission letter) and your temporary password which is your date of birth in DDMonYYYY format (e.g. April 20, 1995 is 20Apr1995). You will then be asked to create your permanent password and set up security questions for your account. Once completed, you can log into <https://my.fiu.edu/> using your newly created password.

The Division of IT Support Center is available to provide you with technical support in order to alleviate any problems you might encounter with MyFIU by using the [Online Service Request System](#), or by calling 305.348.2284.

Finalizing Admissions

Your acceptance to FIU was based on the academic information that was available when the Admissions Committee reviewed your application. You may have been admitted with courses in progress, unofficial test scores, or pending proof of degree. Therefore, it is important that you send these missing documents as soon as possible. To view any missing items online, go to my.fiu.edu, log in and click on your “To Do” List.

Conditional Admission Status

If you were admitted conditionally, an “Acceptance Form” was sent to you along with your admissions letter. You are required to sign the Acceptance Form and return it to the Graduate Admissions Office before you can register.

If you have questions regarding your admission file, please contact the Graduate Admissions Office by email gradadm@fiu.edu

FIU Email Account

Your FIU student E-mail account has already been created and is listed under the “Personal Information” section of the Student Center in my.fiu.edu. Once you have your FIU email address, you will be able to log into the account through [FIU Mail \(M365\)](#). (You must set up

your password in MyAccounts.fiu.edu before accessing your email account. See above “Accessing My.FIU.edu” for details)

IMPORTANT: All official university communication will be sent to your FIU student email account, so it is important that you check your FIU account frequently.
