# ACCOUNTING

The School of Accounting at FIU educates students to achieve great **success** in today's accounting industry. Whether a student is planning to become a **Certified Public Accountant** (CPA), is enrolled in our minor, or is an MBA student learning about the **foundations** of reliable financial reporting, we prepare students to succeed. The program provides the most current knowledge and emphasizes the skills needed for success in public, private and government sectors—and to pursue an **advanced** degree.
