

ONLINE MASTER OF SCIENCE IN LOGISTICS & SUPPLY CHAIN MANAGEMENT

The Online Master of Science in Logistics and Supply Chain Management (MSLSCM) is a 10-month program that provides professionals with a rigorous graduate education, focused on three areas of logistics: logistics technology, data analytics, and distribution modeling. The lock-step format allows each course to be integrated into the overall themes of the program. Students become familiar with software programs such as SAP, Salesforce, Magaya, SPSS, and learn to utilize digital technology to gather, access, manage, and analyze the vast data available in the global transportation and logistics marketplace. Graduates gain technical knowledge, human interactive skills, and market knowledge. Current job opportunities in the industry include: logistics analyst, supply chain manager, warehouse operations manager, global logistics manager, procurement manager, acquisition project analyst, and others.

ADMISSION REQUIREMENTS

The Online MSLSCM program will adhere to the general admission procedures outlined by the FIU University Graduate School (UGS). Completed applications will be evaluated by an Admissions Committee.

To be eligible for admission to the Online MSLSCM program, prospective students must:

1. Hold a bachelor's degree (or equivalent) from an accredited college or university.
2. Have a minimum GPA of 3.0 (on a 4-point scale) in all of their upper division course work or have earned a graduate degree with a minimum of a 3.0 GPA.
3. Score a minimum of 500 on the GMAT exam; or score a minimum of 154 Verbal and 152 Quantitative on the GRE exam; or possess a minimum of three (3) years professional work experience.
4. TOEFL or IELTS exam is required if a graduate is from a non-English speaking country. Achieve a minimum of 550 on the paper-based TOEFL, 213 on the computer-based TOEFL, 80 on the Internet-based TOEFL, or 6.5 on the IELTS exam.
5. Be in good standing at all previously-attended colleges and universities.

Admissions at the graduate level are competitive; meeting the minimum program requirements does not guarantee admission.
